

NOT SURE WHAT DIRECTION TO GO?

We can help...

- If a company is at a strategic **fork in the road**.
- If a company is operating materially **off-plan**.
- If a company is failing to create **appropriate value for all stakeholders**.
- If a **company is ready to be acquired** or wants to get ready.
- If **intervention** has been mandated for a company.
- If there has been an abrupt **departure of key management**.
- If **market analysis** is required to determine next steps.
- If a Board or investor is looking for a **third party assessment**.
- If deep **scientific and technical domain expertise** is required.
- If a company wants to sell or license its **intellectual property**.

Proven Asset Managers

Kirchner Group was founded in 1985 on two fundamental premises: all businesses should contribute to a positive human future and that every business, and portfolio of businesses, can be made more valuable. Today, the firm is a values-based corporate ecosystem, committed to the integration of “earning and returning”. The firm provides advisory and operational services, enterprise development and transactional support to companies, investors and institutions through a proprietary approach that dovetails domain and process expertise. Kirchner Group also manages assets for family offices and some of the world’s largest insurance companies, commercial banks and institutional investors.
